### Dave Turner and Nancy Colby: Chair Folks Minutes of Meeting – October 7, 2021

**Present:** David Turner, Nancy Colby, Sarah Smith, Dietrich Cole, Ivan Cruz, Valerie Koropatnick, Alex Siegel, Patti Bauerle, Andy Sebranek, Catherine Simonson, Cathie Buscaglia, and Elaine Soto.

#### **Main Agenda Item:**

**Lakeview Project:** Cathie Buscaglia provided an overview of the efforts over 2 years to find a new location for Lakeview due to the inadequacies of the current location. She explained that the Agency has determined that the best option seems to be to build a new building on a location in Shelburne next door to the Dutch Mill restaurant.

Members had a number of questions and comments with the greatest concerns being about transportation downtown and potential noise from being on a busy road. The site is on a bus line and the program also has a van, so we will be mindful of assisting clients with transportation. As for noise, it was noted that none of the bedrooms are adjacent to the road. We will also consider any other mitigation options. Overall, there was general support for the project and the potential for this location. This group will be provided updates.
